THEORIES OF **DEMOCRATIC GOVERNANCE**

IN THE INSTITUTIONS
OF HIGHER EDUCATION

EMMANUEL N. A. TETTEH

Theories of Democratic Governance in the Institutions of Higher Education provides interesting exposition for higher education administrators, enrollment management administrators, public administrators, civic education or service-learning administrators, and students who would like to know more about the tenets of democratic governance in higher education administration and how it can influence public policy on open access to adult education, and can guide the administrative decision-making process to foster societal civility.
